Her-Place Coming to Crewe Town!

Women's Centre coming to Crewe Town Centre!

This centre will be more than just a building. It will be:

- A place for healing and recovery
- A hub for connection and community
- A space for learning, growth and empowerment

Women who come through our doors will be able to access:

- One-to-one support and advocacy
- Wellbeing and mental health sessions
- Peer support groups
- Skills development and training
- Creative and therapeutic activities

Our vision is simple but powerful: every woman deserves a safe space where she can be heard, supported and given the opportunity to thrive.

We are on a fundraising mission, can you help?

Work on our new Women's Centre in Crewe is progressing quickly, and we're now fundraising to help furnish and decorate the space ready for opening.

We still need support to help us create a welcoming, safe environment for the women and families who will access the hub.

Whether you can donate, help fundraise or spread the word, every contribution makes a difference.

Our fundraising pack has everything you need to get started, with ideas, guidance, and ways you can help support the future of the hub.

Her 6 for 2026

Part 3 of #Her6For2026 is Active Her

What is it?

This is our campaign to help women and girls to get active, feel good about doing so, and feel safe and supported in all that they do.

Our Vision

To build a community where every woman And every girl feels encouraged, inspired, and empowered to move freely, build friendships, and thrive in a safe, welcoming space.

Our Mission

To encourage women and girls of all ages to embrace movement in a safe, supportive environment.

The Barriers Women still Face in Sport in 2026

Women's sport has grown hugely over the past 10 years, yet we still speak to women and girls who lack the confidence to get involved. For some it's time and family commitments, for others it's simply feeling confident enough to take part.

EMPOWERED TO MOVE

Movement doesn't just strengthen the body, it helps women grow as leaders, build confidence, and thrive in all aspects of life.

Own Your Strength

We Promote Joyful and Accessible Movement

Through our Active HER programme, we partner with sports clubs and host activities to give women more opportunities to take part in sport and movement. By creating women only spaces, we help remove judgement and build a supportive community for women.
